

# Community Builders

Jackie St Clair, Haines High School alumna and Haines Dolphins Swim Team Coach, supports CVCF “because they support youth and recreation programs in Haines.” Having grown up here, she knows how important staying active is for the mental and physical wellbeing of children and young adults. Supporting CVCF “helps create a healthier community.”

Three of the Ganey kids - Ashlyn (12), Brinley (7), and Kaeden (9) - like to support CVCF because their money goes to “multiple deserving organizations and non-profits.”

Some of their favorites include HARK, Little League, Girls Scouts, the Fair, Haines Senior Village and the Haines Dolphins Swim Team.
